

# Backstreet Boys, Time

I know that I, I can't believe  
Just what the past has brought me  
To the man I wanna be  
I know that we have had some times  
That we can't forget the struggle  
'Coz we have so far to go  
I know we've changed but  
Change can be so good  
So let's not forget why  
It's understood that  
Time, look where we are  
And what we've been through  
Time, sharing our dreams  
Time, goes on and on everyday, baby  
Time is what it is  
Come what may  
I remember when, mom used to say  
That things are getting better  
And you'll soon be on your way  
Remember those days  
When we would sing at the drop of a dime  
Way back when nothing mattered  
I know we've changed but  
Change can be so good  
Oh so let's not forget  
Why it's understood that  
Time, look where we are  
And what we've been through  
Time, sharing our dreams  
Dreams, dreams, dreams, oh yeah  
Time, goes on and on everyday  
Time is what it is oh  
Come what may  
So here we are  
And we'll always stay together  
And through it all you know  
We owe it all to you, you, you , you  
Time goes on and on  
Time, look where we are  
And what we've been through, baby  
Time, sharing our dreams  
Time, goes on and on everyday  
Time is what it is  
Time, look where we are  
And what we've been through, baby  
Time, sharing our dreams  
Time, goes on and on everyday  
Time is what it is  
Come what may  
Time, goes on and on everyday  
Time is what it is  
Come what may  
Come what may
