

Backstreet Boys, We've got it goin on

Everybody groove to the music

Everybody jam

We've been waiting so long

Just can't hold it back no more

Creepin' up and down now

It's time for me to let it go

If you really wanna see

What we can do for you

Sent the crazy wildin' static

Sing it

Chorus

Jam on 'cause Backstreets got it

Come on now everybody

We've got it goin' on for years

(2x)

We've got it goin' on for years (2x)

Creepin' up on your left

Straight up funky when I get with you

I get ruthless when I get wet

Keep the party packed in my corner

We get energy to get hype

Get up on this just to get right

What you want is what you gonna get

Backstreets got the special effects

If you really wanna see

What we can do for you

Sent the crazy wildin' static

Sing it

Chorus

We've got it goin' on for years (2x)

Bridge

We've been waiting so long

Just can't hold it back no more

Creepin' up and down now

It's time for me to let it go (2x)

Everybody groove to the music

Everybody jam

Chorus

We've got it goin' on
