

Backstreet Boys, What Makes You Different

You don't run with the crowd, you go your own way
You don't play after dark, you light up my day
Got your own kind of style that sets you apart
Baby, that's why you captured my heart
I know sometimes you feel like you don't fit in
And this world doesn't know what you have within
When I look at you, I see something rare
A rose that can grow anywhere
(Grow anywhere)
And there's no one I know that can compare
What makes you different, makes you beautiful
(Alright, alright)
What's there inside you, shines through to me
(Alright)
In your eyes I see, all the love I'll ever need
You're all I need, oh girl, what makes you different
Makes you beautiful to me
Hey, yeah, yeah, yeah, you got something so real
You touched me so deep
(Touched me so deep)
See material things, don't matter to me
So come as you are, you've got nothing to prove
You won me with all that you do
And I wanna take this chance to say to you
What makes you different, makes you beautiful
(Alright, yeah, yeah, alright)
What's there inside you, shines through to me
(Alright)
In your eyes I see, all the love I'll ever need
You're all I need, oh girl, what makes you different
Makes you beautiful
You don't know
(You don't know)
How you touched my life
(Touched my life)
Oh in so many ways, I just can't describe
(So many ways)
You taught me what love is supposed to be
You saw the little things that make you beautiful to me
(So beautiful)
Oh yeah, yeah
What makes you, what makes you different
(What makes)
Makes you beautiful
(To me)
What's there inside you, shines through to me
(There shines)
In your eyes I see, all the love I'll ever need
You're all I need, oh girl, what makes you different
Makes you beautiful to me
Everything you do is beautiful
(So beautiful)
Love you give shines right through me
(Shines right through to me)
Everything you do is beautiful
(Ooh, ooh, ooh, ooh, oh)
Oh, you're beautiful to me
(To me)
