

# Backyard Babies, Cockblocker Blues

When I dance I'm tailed by a dog called Ego  
And you don't move at all  
When I talk you bark with a pitch black halo  
Damn, you're gonna hit the wall

The cockblocker blues

Did I piss you off, did I do the johnny?  
Did I make you dark blue?  
Did you pee your pants when I playboyed your bunny?  
Damn, no I don't pay-per-view

The cockblocker blues

Got a pirates heart I ain't no sunday sailor  
You got nothin on me  
I'm 24 carat gold and you're the rusty anchor  
Damn, it ain't no charity, I got no sympathy

The cockblocker blues

She's got it  
He's got it  
I know I've got it  
We all got it  
The cockblocker blues
