Backyard Babies, Kids Are Right

(The kids are right from doing wrong!)

Check him in
Check her out
Check that chick is passin' out
I'm checkin' out
Before I piss my money down the drain

A sacrafice to get salvation
Built it up on agravation

That's why the kids are right
From doing wrong
Everyone I've seen was better that me
Well it gets allright
From doing wrong
Everyone I've seen was better then me

Make her up
Make him win
Makin' me commit a sin
I.D.I.T
I think I will go insane

A 1000 years of salutation
And all we built was a Disney-nation

You know
You know that I'm just a dead boy
