Made Me Madman

(dregen, borg, blomquist)

One got down three to go

Well, everybody cares but no one seems to show

`cause when i wake up in the morning i can´t feel bad

For the party that we never had

V.i.p. for the coolest he

A kick for the teeth on the boy without a record deal

That´s how it is

Four got down but for the next time

We might hang around

Wow! yeah! i might make a man mad

Wow! yeah! `cause you made me madman

All the trouble that has stuck with us so long

And all the problems that have fucked with us so wrong

Not in right time fatso!

Straight in line forget-so now!

Wow! yeah! i might make a man mad

Wow! yeah! `cause you made me madman

Wow! yeah! i might make a man mad

Wow! yeah! `cause you made me madman

Wow! yeah! i might make a man mad

Wow! yeah! `cause you made me madman, now
