Robber Of Life

(borg, dregen)

I´ve been here, been there
I´ve been every god damn where
You´re a robber of life
And if you were a woman would you be my wife

I´m no loser in the end
Don´t tell me that you understand
`cause everything is just a frame
Come on

I´m no sucker you can bend
I´ve got a rendezvous in hell
Life for me is just a game
Where everybody´s crazy!

I know that jesus was a fool
Maybe he was kinda wool
But i don´t know what to do no more
When everybody´s crazy

I´ve been here, been there
I´ve been every motherfuckin´ where
You´re a robber of life
And if you were a woman you would be my wife, i swear

Tonight you wanna do some
Tonight you wanna be one
One of `em guys who sold their souls
For the rock n´ roll remote control
You switch your channel and do what you´re told
I can´t lie, i won´t cry
But maybe i´ll meet him before i die
Too soon it´s too late, man
Am i angel or concrete hate?
But i got horns and i got wings
But i won´t fly until my angel sings for me
They say fly, they sing
They say die, i say why?
But i won´t let `em in the ring
It´s gonna take some time `til my angel sings
