Subculture Hero

(borg, andersson, dregen)

Hey, baby, you will rot in hell  
I&acute;m so god damn sorry, i&acute;m alive & well  
And sometimes you don&acute;t know  
Who i am when you&acute;re at my show  
And i&acute;ve got a feeling this is suicide  
But, hey, mr. sunshine, i am ready to die

`cause sometimes i believe  
That your opinion is my relief  
I saw your face on the tv  
Just like mickey in 3-d  
But i know you can&acute;t see me now

One dead sucker going down in flames  
He didn&acute;t get paid but at least he got laid  
But sometimes i don&acute;t know  
If you understand what i&acute;m trying to do  
I saw your face on the tv  
Just like mickey in 3-d  
But i know you can&acute;t see me

`cause i&acute;m a subculture hero  
Subculture hero

I fell down and broke a head or two  
But yet still by  
Then all of a sudden i decided what to do  
Working overtime  
Good god damn i&acute;m god damn good  
Standby for this famous guy  
And damn you god if you don&acute;t let me try  
To be somewhere high

I saw your face on the tv  
Just like mickey in 3-d  
But i know you can&acute;t see me

I&acute;m a subculture hero, something new  
Subculture hero, just like you
