(borg, dregen)

I can´t, can´t, can´t, can´t do
Can´t, can´t, can´t, can´t do

Sometimes i feel like shit
So don´t waste my fucking time
I don´t need no family
Just a big fat check of royalties

I know what i wanna do
But i don´t seem to get it through
And i c-c-c-c-can´t do anything
No, i c-c-c-c-can´t do anything

You live like a wannabe
In this sick society
And you´re sitting next to me
Can´t you fuckin´ see

I know how i ended up here
I took your piece of shit for real
And i c-c-c-c-can´t do anything
No, i c-c-c-c-can´t do anything

I can´t do nothing

And i c-c-c-c-can´t do anything
No, i c-c-c-c-can´t do anything

`cause i´m a u.f.o. romeo
Well, i´m a u.f.o. romeo
Well, i´m a u.f.o. romeo
Well, i´m a u.f.o. romeo
