Bacon Brothers, The
Getting There
Ten Years In Mexico
Written by kevin bacon

Tequila smile and a mango kiss
They've never seen rain quite like this
Give the storm a name watch her blow
She's outside with a sweet surprise
You can't stop her when her waters rise
Open up the door let her flow

Chorus
Ten years in mexico
Watch them come and i watch them go
Where the time went i don't know
Life and death joy and tears
Ten years in mexico

I still remember every step so well
Through the graveyard to the cheap hotel
Knowing any moment i might fall
Still a notion in senora's eyes
She sees the ocean and the dragon flies
From the hacienda hear her call

Chorus

I ain't learned much
But i learned that love is all
And i learned to count
To ten en espa
