

Bad 4 Good, Get Loose

Nothin' to do in the city,
Can't get nothin' to eat its only 2A.M.,
All the girls are they look at me funny,
They don't know thin' and I gotta get out.

Get Up, Get Out, Get Loose
Get Up, Get Out, Get Loose
Get Up, Get Out, Get Loose

Monkeys on my TV,
Space invaders on a Friday night,
I got the booze walking all over my street,
I keep my head on I keep shaken and I gotta get out.

Get Up, Get Out, Get Loose-X2, GET LOOSE

Get Up, Get Out, Get Loose-X2, LOOSER
Get Up, Get Out, Get Loose, Looser-X6
Get Up, Get Out, Get Loose, GET LOOSE!
