

# Bad Acid Trip, Remeber

I have seen the result of our school system  
I have seem what it does  
I asked some kids about the holocaust  
And they didn't even know what it was  
Didn't that happen in some Time Life books  
I didn't see the movie, I didn't have time to look  
Genocide is the product of every bloody war  
And remembrance is a way to begin  
But don't be so ignorant as to believe  
It can never happen again  
Remember
