

Bad Astronaut, Jessica's Suicide

Jessica's suicide
takes me for a ride
i'm just a crazy one on demand
strange world (strange world)
dead girl (dead girl)
die each day or so you say it
how much death can one man stand
how much death can one man stand

I might broadcast it's all lies
beg please like you in despise
and understand I just can't
help but stand up to the old lies
this time she'll do it
to late my bus is leavin
I don't care what you have planned
I don't care what you have planned

Jessica's suicide
never even tried
but I give in to her demands
death threats (death threats)
regrets (regrets)
go ahead I heard all you said
cuz bitter always becomes planned
cuz bitter always becomes planned
cuz bitter always becomes planned
cuz bitter always becomes planned

so scared to characterize
I always known your cold eyes
and now I finally realize
just can't take this deadly surprise

this time she'll do it
to late my bus is leavin
cuz i don't care what she has planned
I don't care what she has planned

running on
running on and on and on and on
I don't care what you have planed for me
I don't care what you have planed for me
I don't care what you have planed for me
I don't care what you have planed for me
I don't care what you have planned
