# Bad Boy's Da Band, Why

Dylan talking]
Open the book
And I saw an angel come down from heaven
Having the key of the bottomless pit
And a great chain in his hand
I laid whole on the dragon, That old serpent
Which is the Devil, and Satan, and born in a thousand years
See

### [Fredrick]

You thinkin' lifes a joke, I'll slice your throat
Oh you a thug, you about to get yo' rights revoked
I'm from the Dirty, we don't even know the price of soap
I'm a star, look in the sky, you need a microscope
I'm way ahead of the game, thuggin' runs in my veins
My pockets chubby, so I went and got a gun in my name
Its just me, him and my blunt in the Range
A young nigga with the filty slang
Ha ha, I hop out like a Jack In The Box
With three macks and a glock
I'm askin' for nothin', I'm snatchin' my props
I'm gettin' money while I'm laughin' at cops
It ain't ya lad, I ain't bad
It's the Devil, why don't you tell'em to stop
