

Bad Boys Blue, How I Need You '99

I want you now and forever
Then why did you do it?
I miss you now that you've gone
I'm not a type of girl you mess around with
I just called to say I really love you
You should have thought of that before
And girl, I do regret
Every single word that I said
The night is so empty without you
And loneliness's falling upon my mind
I'm trying to touch you in my dreams
My heart is crying, baby
Oh, how I need you
Oh, how I need you
I'm waiting every night time
My nights have been so lonely since you've been gone
I'll kiss you and hold you tight
I dream about this feeling every night
What I mean is girl, I really changed now
I'd really love to believe you
I swear to you, I do
Girl, I'll never make you blue
The night is so empty without you
And loneliness's falling upon my mind
I'm trying to touch you in my dreams
My heart is crying, baby
Oh, how I need you
Oh, how I need you
The night is so empty without you
And loneliness's falling upon my mind
I'm trying to touch you in my dreams
My heart is crying, baby
Oh, how I need you
Oh, how I need you
Oh, how I need you
Oh, how I need you
Oh, how I need you
