

Bad Boys Blue, I Wanna Hear Your Heartbeat (Sunday Girl)

Half away from having dreams
On a Sunday, Sunday night
Walking all alone in the streets
On a Sunday, Sunday night
But then an angel passed me by
A little angel made me sigh
Just when I wanted you

(Look)

A dream came true, called love
I wanna hear your heartbeat
Wanna feel what you need
Let me stay tonight
By your side, by your side
I wanna hear your heartbeat
Share your dreams in you're asleep
Let me hold you tight
In the night, in the night
I don't wanna waste one second without your lovin'
Without you Sunday girl
You only got to reach out, reach out to taste my lovin'
Won't you so Sunday girl?
Oh, I really want you, Sunday girl
Heaven sent you down to me
On a Sunday, Sunday night
To rescue me from misery
On a Sunday, Sunday night
You made me leave the past behind
I've got you always on my mind
Just when I wanted you

(Look)

A dream came true called love
I wanna hear your heartbeat
Wanna feel what you need
Let me stay tonight
By your side, by your side
I wanna hear your heartbeat
Share your dreams in you're asleep
Let me hold you tight
In the night, in the night
I don't wanna waste one second without your lovin'
Without you Sunday girl
You only got to reach out, reach out to taste my lovin'
Won't you so Sunday girl?
Oh, I really want you, want you
I wanna hear your heartbeat
Wanna feel what you need
Let me stay tonight
By your side, by your side
I wanna hear your heartbeat
Share your dreams in you're asleep
Let me hold you tight
In the night, in the night
I don't wanna waste one second without your lovin'
Without you Sunday girl
You only got to reach out, reach out to taste my lovin'
Won't you so Sunday girl?
