

# Bad Brains, Why'd You Have To Go?

Why'd you have to go little girl  
and leave me alone  
I've got no where to go little girl  
I'm left all alone  
So if i see you hangin around  
I'll look to the sky  
But don't come upon my door  
I think I'll CRY!!

[Chorus:]

I loved you, this is true  
I loved you, this is true  
I can't take this shit no more  
I'm about to die  
So if i see you little girl  
Don't no I'll cry  
Hey baba! Ya i need ya  
so don't go no wait no huh wait what what AHHH

[Chorus]

Why'd you have to go  
I'm on my knees baba  
Why'd you have to go  
Got nobody to depend on  
Why'd you have to go  
And now i am left with the chairs in the room and the doors  
Why'd you have to go  
[Chorus]
