

# Bad Cash Quartet, I Don't Hesitate To Say Who I

If you think the world's too much  
then take my hand and follow  
But not like giving up,  
I would never be that hollow  
But I'm giving up on the time  
when I see what you've become

My life's in vain I heard him say  
I hate the way I live today  
So don't look back and don't look straight ahead  
(That's the feeling)

So bring me the light and lead me tonight  
Cause I can't play the hand I'm given  
And I don't hesitate to say who I hate  
to the reflection in my mirror

I think it's time to give more  
if you want to start a new  
And it's better to fall sometimes  
than to never ever stumble  
And I've given more than I can  
but it's not enough to change

My life's in vain I heard him say  
I hate the way I live today  
So don't look back and don't look straight ahead  
(That's the feeling)

So bring me the light and lead me tonight  
Cause I can't play the hand I'm given  
And I don't hesitate to say who I hate  
to the reflection in my mirror

No, I don't hesitate to say who I hate  
to the reflection in my mirror
