Bad Cash Quartet, I Don't Hesitate To Say Who I

If you think the world's too much then take my hand and follow But not like giving up, I would never be that hollow But I'm giving up on the time when I see what you've become

My life's in vain I heard him say I hate the way I live today So don't look back and don't look straight ahead (That's the feeling)

So bring me the light and lead me tonight Cause I can't play the hand I'm given And I don't hesitate to say who I hate to the reflection in my mirror

I think it's time to give more if you want to start a new And it's better to fall sometimes than to never ever stumble And I've given more than I can but it's not enough to change

My life's in vain I heard him say I hate the way I live today So don't look back and don't look straight ahead (That's the feeling)

So bring me the light and lead me tonight Cause I can't play the hand I'm given And I don't hesitate to say who I hate to the reflection in my mirror

No, I don't hesitate to say who I hate to the reflection in my mirror
