

Bad Cash Quartet, Nights Are Mine

I'm out searching for more
I'm out searching for more
I'm out searching for more
so I get out get Out
the nights are mine
I hope I never die
Days are ours and night are mine
you never let me down
I'm out searching for more
I'm out searching for more
I'm out searching for more
i'm so bored searching for more
so I get out get Out
the nights are mine
I hope I never die
Days are ours and night are mine
you never let me down
yeah I wanna see you someday
I wanna see you someday
I wanna see you someday
I wanna see you someday
