

# Bad Catholic Schoolgirls, Pickin' Up Chicks

AG = Awesome Gorgeous' lyrics

ST = Special T's lyrics

AG:

What's wrong with the bitches in here, T?  
I'm usin' all my best lines.. but I can't get any  
Like 'You, Me, and a midget makes three.'  
'I was gonna fuck your brains out, but somebody beat me'  
'I wanna spank you, baby with a sack of kidney beans  
Cover your body in sour cream  
and let my friends lick it off of you..'  
..... 'uhh... mind if I push in your stool?'

ST:

I like shoelaces, bow-ties, and wheelchairs, baby..  
Wanna go back to my place and use all three?  
You remind me a lot of a girl I used to date  
she's dead now...hey, where you going? wait!!  
Wanna see a trick I picked up in prison?  
its girls like you that make me wish I were a lesbian.  
Oh I just pissed my pants, I was hoping to get in yours'  
I'm gonna go home and beat off if I get slapped once more

AG:

i don't play pool, but i'll put my balls on your rack  
you're like a fuckin' whale, but i could go for a hump back  
everything I wanna do to you I learned at SeaWorld.  
Like Motel 6, I'll leave the light on for you girl.  
I'd walk a million miles over broken glass  
just to shake hands with the guy that fucked you last.  
You remind me of my cousin.. see, it's just that  
I'm always wanting something that I can never have

ST:

just remember baby, to you I am a virgin, I'm  
gonna make you feel like it was my first time  
wow, your eyebrows are thick, but i'm not judging  
just as long as you ain't gonna get me sick with something  
wanna play pac man? how many pills  
can you swallow, before i catch ya? i got skills  
always got one hand on my muthafuckin joystick□  
if you were a booger you'd be my first pick

AG:

Does this smell like chloroform to you?  
i'm no fiddler on the roof, but i'll diddle 'er on the roofies  
Is it cold in here, or are you smugglin' tic tacs?  
What's a girl like you doin' with a face like that?

ST:

You're cuter than my last victim, i mean girlfriend, though  
If I cut your arms off, you'd look like Venus de Milo.  
You make my penis smile, so.. here's twenty bucks  
Drink until I'm cute, then come back and we'll fuck
