

Bad Catholic Schoolgirls, The Masturbation Procl

AG = Awesome Gorgeous' lyrics

ST = Special T's lyrics

st:□

hey, how y'all doin' today

special t here and i got somethin to say

i'll get straight to the point - i love masturbation

the hand solo is the dance that's taking the nation

ag:

by storm, had my hand on my cock since birth

the greatest pleasures on the face of the earth

are not learned in the classroom or found on the street

everything i know i learned while poundin my meat

st:

damn right, and we don't leave anybody guessin

we're comin straight with this one and you're wishin

we kept our mouths shut

ag:

but its a serious matter

nothin makes a heart pitter patter like stirrin the baby batter

st:

don't act like you're different, everybody's doin it

i'm at my best when i'm strokin off and spewin it

ag:

half the time when i write these rhymes i got

one hand on the pen and one on my divining rod

□

chorus:□

everybody in the house (hell yea)

y'all with me now? (hell yea)

alright - now drop trou (hell yea)

everybody whip ya shit out

everybody in the house (hell yea)

y'all with me now? (hell yea)

alright - now drop trou (hell yea)

everybody whip ya shit out

st:

here i go again on my own, me and my whitesnake

playin with my meatwad but they call me master shake

ag

let's talk about feelings

st

my chili i'm peeling

layin on my bed and stuccoing the ceiling

ag

it's so fuckin hard these days to get any play

if girls were potato chips, they'd be frito lay

but once i pop i can't stop, can't have just one

st

i average like 10 times a day (shit son)

i beat off when i'm in bed, then again when i get up

then in the shower, and again when i get on the bus

and at the back of the classroom, hand on my sack

ag

whackin off is more addicting than crack

let me introduce you to my left and right hands

the organ grinder and the pocket fisherman

st

my hands are always shakin, but i'm not nervous

i'm not a gas station but i am self service

□

(chorus)

ag
all i ever wanna do is get off
today's special: i recommend the beef strokinoff
special t - man what you up to tonight?
st
breakin out the oils, the candles, the barry white
sorry man, i'm havin a party of one
ag

to use the term literally "that's whack shit"
paper or plastic?
st
my waistband's elastic
makes for easy access when i wanna jack it
ag
sometimes i prefer the sleeve of my jacket
stand back kid
st
i'm about to explode
for a little guy i pack a pretty big load
ag
DIY is what we all about
st
i dont give a fuck i'll pull it out on your couch
does everybody know what time it is?
ag

st
oops, already dropped the jizz
ag
man you got the weirdest cock i ever saw
st
but only because i been rubbin it raw

(chorus)
