

Bad Company, 100 Miles

Bad Company

Holy Water

100 Miles

Hey little girl, I love you so

I'd walk a hundred miles to let you know

Hey little baby, your eyes sure shine

When your hand reaches out and touches mine

'Cos you're my baby, you're my baby, my little girl

Hey little girl, let me kiss your lips

Let me feel you thrill to my fingertips

Hey little baby, let me take your hand

Let me lead you to the promised land

'Cos you're my baby, you're my baby, my little girl

Hey little girl, I love you so

I'd walk a hundred miles to let you know

Hey little girl, I love you so

I'd walk a hundred miles to let you know
