

# Bad Company, Can't Get Enough

Well, I'll take whatever I want  
And baby, I want you, yeah  
Now you give me something I need  
And I want it, I got something for you  
Well now  
Come on, come on, come on and do it  
Come on baby and do what you do  
Help me now  
Can't get enough of your love  
Tell me what your sayin'  
Can't get enough of your love  
Oh, I don't believe  
Can't get enough of your love  
But that don't stop me tryin'  
Well, now it's late and I want love  
You tell me that your love is gonna break me in two  
Don't you hang me up in your doorway  
Baby, don't you hang up like you do  
Well now  
Come on, come on, come on and do it  
Come on baby, do what you do  
Tell me now  
Can't get enough of your love  
I can't get enough, baby  
Can't get enough of your love  
I can't get enough, baby  
Can't get enough of your love  
It goes sweet 'til it shows  
Oh yeah  
Let's see you sing, come on baby  
You know the love  
Can't get enough of your love  
You know love  
Can't get enough of your love  
Tell me, tell me now  
Can't get enough of your love  
Oh, sounds good to me  
Let's do it again, come on  
You know love  
Can't get enough of your love  
Oh you know  
Can't get enough of your love  
I'll keep on trying  
Can't get enough of your love  
Oh no, I said love  
I can't get enough of your love, baby  
I can't get enough of your love, sugar  
I can't get enough of your love  
Alright let's take it home to mama  
Let's put it to bed
