

Bad Company, Easy On My Soul

Some say love is, some say what is love
Some say in love is love
When you're around me, I really want to know
Some say life is, some say what is life
Some say in the life
When you're around me, yeah
I say easy, easy on my soul
Easy, easy on my soul
Easy, easy on my soul
Some say love is, some say what is love
Some say is love really all around me
I want to tell you my story
I want to tell you I'm flying
Anyway, yeah, yeah, yeah
Ah, ah, ah, ah, ah, ah
Watch me now, all right
Some say love is, some say what is love
Some say is love really all around me
I want to tell you my story
I want to tell you I m flying
Anyway, yeah, yeah, yeah
Oh, yeah
Easy, easy on my soul
Easy, easy on my soul
Easy, easy on my soul
Easy, easy on my soul, oh, yeah
Won't you take it easy, easy
Won't you take it easy, oh yeah
