

Bad Company, Evil Wind

Ten thousand miles I've traveled
Ten thousand miles an' more
Now I found myself standing
Outside of my baby's door
I've been gone such a long time
I never thought I would return
Now I found myself standing in the rain
Waiting for your key to turn, yeah, yeah
Evil wind passed me by
Troubled waters, pay me no mind
I have heard the thunder
Rolling across the sky
I have seen the morning sun
Burn on a mountain high
I have crossed the waters
That will keep them miles apart
Now I know the time has come
To make a brand new start
Evil wind passed me by
Troubled waters, pay me no mind, yeah
Fly plane, I'm coming home again
Plane fly, like an eagle through the sky
Evil wind, troubled water
Pay me no mind, pay me no mind, oh
Oh yeah
Evil wind, passed me by
Troubled waters, pay me no mind, yeah
