

# Bad Company, Never Too Late

Bad Company

Holy Water

Never Too Late

Last night, you said you didn't know what you wanted  
Baby that's all right, I can help you see this one through

I know you won't leave him, you think it's all wrong  
Why don't you open your eyes  
You're so unhappy but you keep hanging on, so trust me, baby and you'll see

Chorus:

It's never too late to change your mind - get out and take what you need  
It's never too late, so take your time - you (just) gotta believe

One day, you'll look back and think you were crazy  
There's no way, that's how it gets you sometimes

Right now, you can't let him go, there's something inside you  
I won't tell you, you should know, it's so clear, baby, I'm right here

chorus

(Solo)

One day, you'll come running to me, it's just a matter of time  
I'm right here where you know that I'll be, so trust me and you'll see

chorus repeats out...
