

Bad Company, Ready For Love

I'm walkin' down this rocky road wonderin' where my life is leading
Rollin' on to the bitter end
I'm finding out along the way what it takes to keep love living
You should know how it feels my friend
I want you to stay, I want you today
I'm ready for love oh baby I'm ready for love
I'm ready for love oh baby I'm ready for love
I'm waiting for your call, oh there
Now I'm on my feet again better things are bound to happen
All my dues surely must be paid
Many miles and many tears, times were hard
But now there changing you should know that I'm not afraid
I want you to stay, I want you today
I'm ready for love oh baby I'm ready for love
I'm ready for love oh baby I'm ready for love
I'm ready, so ready

Oh dear, I want you to stay, I want you today
I'm ready for love oh baby I'm ready for love
I'm ready for love oh baby I'm ready for your love
I'm ready for love oh baby I'm ready for your love
I'm ready for love baby I'm ready for your love
I'm walkin' on down down down down down down this rocky road
Oh I'm worth dying well my life is beating
But now that I've found you baby
I can never let you go I need your love so bad
I want to give you my heart and my soul
I need your love baby, I need your love so bad
I'm ready ready ready give it to me now
Give me your love, oh give me your love baby
Give your heart and mind too
