

Bad Company, Take The Time

When I see you start to cry, I stop and wonder
But I know it's only because you love me so
It ain't easy when I try to say, I'm sorry
But you know, I'll find a way to get to you someday
Oh baby, I want to take the time yeah
Hmm baby, I want to take the time
Oh right, I want to take the time yeah
To tell you I love you

When I see you smile I feel it all around me
Picks me up and takes me where I want to go
You don't know, how much you have give to me
So I'll take the time to say, I love you so hey hey
Ooh baby, I want to take the time
Yeah, yeah, I want to take the time
Oh right yeah, I want to take the time
To tell you I love you

When I see you smile, I feel it all around me
Picks me up and takes me where I want to go
You don't know how much that you have give to me
So I'll take the time to say, I love you so hey hey
So I'll take the time to say, I love you so hey hey
Hmm, I want to take the time, yeah yeah
I want to take the time
I wanna take the time
To tell you I love you
Hmm hmm
Hmm hmm
