

Bad Company, With You In A Heartbeat

Bad Company

Holy Water

With You In A Heartbeat

I had your picture, I had it there on the wall

It's been a long time, I didn't notice it fall

Just goes to show you, things get strange, there's nothin', nothin' I can do

You got your own life, I got mine, I still got feelings for you

And I wonder what you're thinking, does it ever seem right

Don't you know there's something missing, we don't have to fight

If you call me tonight

Chorus:

I'll be with you in a heartbeat, just whisper my name

And I'll be with you in a heartbeat, no questions, no blame

And I'll be with you in a heartbeat, just whisper my, just whisper my name

I got no answers, sometimes I just wanna shout

Which way to turn now, can't seem to figure this out

I haven't seen you in oh so long, nothin', nothin' seems to fade

Tried to forget you, but you won't go, ooh the memories we made

And I tried so hard to fight it, but it keeps comin' through

Ooh you were all I ever wanted, I'm waiting for you, if you wanted me too

chorus

(Solo)

And I wonder what you're thinking, does it ever seem right

Don't you know there's something missing, we don't have to fight

If you call me tonight

chorus repeats out...
