

# Bad English, Rocking Horse

Bad English  
Bad English  
Rocking Horse  
Desert highway to a memory  
I said that i'd come back for you  
By the jukebox at the starlight grill  
Kickin?out an elvis tune  
Are you waitin' little sister  
Killin?time and dreamin?too  
You need a fraction of long distance love  
I'm driving all night for you, yeah  
I'm gonna be there in a big way  
You can leave the radio on  
Like an outlaw  
Like jesse james  
Another hundred miles is gone  
Sunrise to sundown  
I'm gonna turn you around  
Yeah  
Baby i've been so lonely  
What am i s'posed to do,  
Out in the zone of passion  
Out of my head for you  
Baby my hearts a mustang  
Just let it run its course  
Take it up by the river  
I'm gonna give you more  
Ride the rockin' horse  
Hey ride the rockin' horse  
Yeah  
Got the top down  
Wishin?on a star  
Underneath the spanish moon  
Golden earring
