

# Bad Examples, Jeune Fille In A White Sundress

Bad Examples

Bad Is Beautiful

Jeune Fille In A White Sundress

Whatever it takes to get inside your heart

Someone will, i hope it's me

Whatever it takes to get beneath your skin

Someone will, i hope it's me

(chorus)

The sand on my feet

And the sun on my face

Jeune fille in a white sundress

Late afternoon i watch the waves roll in

Soft and slow against the beach

I watch you walk down the wooden steps

Sky grey eyes smile at me

Chorus

And when i talk with her

I can't understand a word

She says so sweetly

But i don't care

Because i have such a crush on her

It feels as if she fell from heaven

Midnight in the restaurant

Ocean breeze, crescent moon

A song is playing on the radio

&quot;ma cherie amour&quot; - i think of you

Chorus

And someday i'll walk

With the sun in my face

And jeune fille in a white sundress
