

Bad Religion, Best For You

Above us lay the burdens, below us lay the truth
We're somewhere in the middle and we're all discontent too
Is someone watchin' over you?
Inside they know what's best for you
Judgment's not tomorrow
Its today, yes now, it's here
But no, it isn't Jesus, take a look at all your peers
They're all lookin' down on you
Inside they know what's best for you
Everybody knows what's best for you
Everybody knows what's best for you
Everybody knows what's best for you
