Bad Religion, The World Won't Stop

You've got to guit your little charade and join the freak parade Now that your road has been paved from conception to your grave Enormous things to do others' practices to eschew To be better than you is impossible to do But the world won't stop without you No, the world won't stop without you Your achievements are unsurpassed, you are highly-ordered mass But you can bet your ass, your free energy will dissipate Two billion years thus far now mister here you are An element in a sea of enthalpic organic compounds The world won't stop without you The world won't stop without you You're only as elegant as your actions let you be A piece of chaos related phylogenetically To every living organ system they're siblings don't you see The world rotates and will revolve without you constantly Two billion years thus far now mister here you are An element in a sea of enthalpic organic compounds The world won't stop without you No, the world won't stop without you Said, the world won't stop without you
