

# Badfinger, Cowboy

Hey cowboy, I dig your blues  
You must have had a heavy day  
Hey cowboy, I dig your shoes  
I know they're walking heavenly ways

CHORUS:

Now, I know you well enough to say, &quot;yeah&quot;  
Yeah, yeah, to say, &quot;yeah&quot;  
Hey soldier, it's up to you  
To see you make it home today

CHORUS

(country guitar solo (Joey Molland))

Tommy's dialogue during solo:

&quot;\_\_\_\_\_ all his teeth

Well, take your partners and dosey doh

Be like me, and see how it goes&quot;

CHORUS.
