Badfinger, Get Down

Get down, baby
Get down
Get down to my heart

Be around, baby
Be 'round
Be 'round when I call

You say your name is Mary
But I got my point of view
Got the time to show you that it's true
Yes I do

[guitar solo (Pete Ham)]

Thrill me, baby
Come on
Way down to my feet

Get down, baby
Get down
Get down to my heart

You say your name is Mary
But I got my point of view
I got the time to show you that it's true
Yes I do

[guitar solo (Pete Ham)]

Get down.
