

Badly Drawn Boy, About A Boy

I've been dreamin'
Of the things I learned
About a boy who's bleedin'
Celebrate to elevate
The joy is not the same without the pain

Ooooooooo

Ipsso Facto
Using up your oxygen
You know I'm shallow
Calling out for extra help
You've got to let me in or help me out

Ooooooooo
Something to talk about
Yeah, something to talk about

I've been dreamin'
Of the things I learned
About a boy who's leavin'
Nothing else to chance again
You've got to let me in or let me out

Ooooooooo
Something to talk about
Yeah, something to talk about
