

# Badly Drawn Boy, Donna & Blitzen (1998 Version)

Wait for the light  
But you've been still sly  
Baby its not your sliagh ride  
But this year its ours  
And maybe tomorrow  
We're gonna see  
Things I'd never believe  
I'll make you want me you'll see  
The initial morning of spring  
Only two reindeer  
Oh what a sight  
As they take their first flight

I will, I will  
I will, I will

wait until  
For them into the sky  
Oh baby its all inside

I will, I will  
I will, I will  
I will, I will  
I will, I will

Born in the night  
As two reindeer take flight  
Oh what a sight  
I will, I will  
I will sleep tonight
