

Badly Drawn Boy, Outside Is A Light 1

Outside is a light
Which says you've got to find me
You know where I'll be
I'm always somewhere, always somewhere

No, no, no, no
Yeah, Yeah
No, no, no, no
Yeah, Yeah

Outside is a light
Which says you've got to find me
You know where I'll be
I'm always somewhere, always somewhere

No, no, no, no
Yeah, Yeah
No, no, no, no
Yeah, Yeah
