

# Badly Drawn Boy, Outside Is A Light 1

Outside is a light  
Which says you've got to find me  
You know where I'll be  
I'm always somewhere, always somewhere

No, no, no, no  
Yeah, Yeah  
No, no, no, no  
Yeah, Yeah

Outside is a light  
Which says you've got to find me  
You know where I'll be  
I'm always somewhere, always somewhere

No, no, no, no  
Yeah, Yeah  
No, no, no, no  
Yeah, Yeah
