

Badly Drawn Boy, Push Me, Pull Me

What's the matter you, HEY!!
Don't know which way to turn
Caught in two minds, what shall we do
Why don't you push me, and ill pull you

La la la la la la

What's the matter you, HEY!!
Can't look me in the eye
Chasing your tail
Your tear us apart
I won't let you down we share a heart

Easy peasy lemon,
Squeezy cheesy peas
Since you left me i've not been myself
Why don't you come back and be yourself

Yourself! !
