

# Badly Drawn Boy, Using Our Feet

Badly Drawn Boy  
Have You Fed the Fish  
Using Our Feet  
Anything you're not sure of?

People meet me ask if I got the money to lend her  
Find her, tell her she is still on the agenda  
Pretty soon we'll be dancing  
We'll be using our feet  
Just like we always had it easy  
Just like we always knew we'd meet

Anything you're not sure of?

People who see me think I vibe on the attention  
I just think they're hoping that they'll be getting a mention  
But I don't know what their chance is  
Of ever finding their feet  
And if they know what to dance is  
The kind of people I don't meet

After this song I will be earning a fat cent  
I'll be working on my American accent  
And pretty soon we'll be dancing  
Yeah, we'll be using our feet  
Just like we knew it'd be easy  
Just like we always knew we'd meet
