

Badu Erykah, Green Eyes

Badu Erykah

Mama's Gun

Green Eyes

My eyes are green

Cause I eat a lot of vegetables

It don't have nothing to do with your new friend

My eyes are green

Cause I eat a lot of vegetables

It don't have nothing to do with your new friend

I don't care, I swear

I'm too thru with you I am

You don't mean nothing to me

So go ahead and be with your friend

My eyes are green

Cause I eat a lot of vegetables

It don't have nothing to do with your new friend

My eyes are green

Cause I eat a lot of vegetables

It don't have nothing to do with your new friend

I'm insecure

But I can't help it

My mind says move on

My heart let right

But I don't love you any more

I'm so insecure

Never knew that love did this

Ooh, ooh

I can't remember the last time I felt this way

About somebody

You've done something to my mind

And I can't control it

But I don't love you any more

Yes I do, I do

Loving you is wrong baby

Ooh, ooh

La-di-da

Dum-dee-da-da

Dum-didi-da-da-da

Dum-didi-da-dum-di

I'm so confused

You tried to trick me yeah

Ooh, ooh, oh

Never knew that love could hurt like this

Never thought I would but I got dissed

Makes me feel so sad and hurt inside

Feel embarrassed so I want to hide

Silly me I thought your love was true

Change my name to Silly E. Badu

Before I heal, it's gonna be a while

I know it's gonna be a while, chile

[ad-libs]

I hope it's not too late

Too late, too late, too late

Feeling insecure

Your love has got me sore

I don't want no more

Oh, oh
It's too late, oh, oh ooh, ooh
I'm sorry I love you
At first when you was cool
You told me you loved me too, ooh
And then you lost your love
And then you lost your love
And then you lost your love
You wanted me to go away
But I can't go
See I can't leave, it's too late
I can't leave, it's too late
I can't leave, it's too late
I can't leave, it's too late

Just make love to me
Just one more time and then you'll see
I can't believe I made a desperate plea
Believe me yeah, ye-ah, no, oh
You see I can't leave, it's too late
I can't leave, it's too late
Don't you know, I can't leave, it's too late
Can't go no where, no
It's too late
It's too late
It's too late
It's too late yeah
Come on babe

Don't you want be strong with me
You told me we could have a family
Want to run to me when you're down and low
But times get tough and there you go
Out the door, you wanna run again
Open your arms and you'll come back in
Wanna run cause you say your afraid, afraid

Never knew what a friendship
Never knew how to really love
You can't be what I need you to
And I don't know what is up with you

I know our love will never be the same
But I can't stand the growing pains
