

Badu Erykah, Kiss Me On My Neck

Badu Erykah

Mama's Gun

Kiss Me On My Neck

I want somebody to walk up behind me

And kiss me on my neck and breathe on my neck

I want somebody to walk up behind me

And kiss me on my neck and breathe on my neck

Been such a long time

I forgot that I was fine

Just kiss me on my neck and breathe on my neck

I want somebody to walk up behind me

And kiss me on my neck and breathe on my neck

If you want to feel me

Better be divine

Bring me water, water for my mind

Give me nothin

Breathe love in my air

Don't abuse me

Cause these herbs are rare

If you want to feel me

Better be divine

Bring me water, water for my mind

Give me nothin

Breathe love in my air

Don't abuse me

Cause these herbs are rare

If you want too feel me baby

Better be divine

Bring me water for these flowers

Growing out my mind

Give me nothin' just be gentle

Breathe love in my air

Use me, don't abuse me, love me

Cause these herbs are rare

If you want to feel me

Better be divine

Bring me water, water for my mind

Give me nothin

Breathe love in my air

Don't abuse me

Cause these herbs are rare

If you want to feel me

Better be divine

Bring me water, water for my mind

Give me nothin

Breathe love in my air

Don't abuse me

Cause these herbs are rare

If you want to feel me

Better be divine

Bring me water, water for my mind

Give me nothin

Breathe love in my air

Don't abuse me

Cause these herbs are rare

I want somebody to walk up behind me
And kiss me on my neck and breathe on my neck
I want somebody to walk up behind me
And kiss me on my neck and breathe on my neck

Been such a long time
I forgot that I was fine
Just kiss me on my neck and breathe on my neck
I want somebody to walk up behind me
And kiss me on my neck and breathe on my neck
