

Balzac, Break Fuckin' Yourself

Right now gotta break myself
Right now gotta break yourself
Right now gotta break myself
Right now gotta f**kin' yourself

(F**ked up wall) Right now gotta break myself
(F**ked up word) Right now gotta break yourself
(F**ked up war) Right now gotta break myself
(F**ked up way) Right now gotta f**kin' yourself

F**ked up wall
F**ked up word
F**ked up war
F**ked up way

Gotta gotta gotta break myself
