

Bananafishbones, Diggin'

Go For The Gold
Cause Gold Is What You Need
I'M Talking Bout That Gold Down In Your Soul
You Can Be Satisfied
With Any Type Of Life
But I Tell You It'S Worth Digging For That Gold

Grubbing You Come Across Grubs
That One Day Will Be Bugs
Bugging Your Explorations Til You'Re Old
And Your Sack Is Full Of Scraps
Your Phonebook Filled With Chaps
For Some Your Heart Is Warm The Others Crap Oblivion

And You'Re Digging And Digging'
But Nothing Ever Happens In That Hole
And You'Re Digging And Digging'
But Nothing Ever Happens In Your Soul

A Nation Shocked By Pictures Of A Snow Covered Bike
Where Did She Go
The Girl She Soon Is Dead
We Wonder Who She Met
She Is Buried Oh So Deep
And Noone Will Come To Take Her Home

And She'S Digging And Digging.....
But Nothing Ever Happens In That Hole
And She'S Digging And Digging.....
Her Fingernails Are Broken And Sore
And She'S Digging And Digging.....
Noone Ever Releases Her Soul
And She'S Digging And Digging.....
But Nothing

She'S So Cute
She Is Mine
I Will Love Her Till The End Of Time....
She'S Beautiful
And Now She'S Mine
Cause Noone Reaches
The Forest At That Time.....Don'T You Move

Neither Human Nor Beast
Demons Feast On It'S Soul

And You'Re Diging And Diging'
But Nothing Ever Happens In That Hole
And You'Re Diging And Diging'
And Nothing Ever Happens In Your Soul
And She'S Diging And Diging.....
But Nothing Ever Happens In That Hole
And She'S Diging And Diging.....
Her Fingernails Are Broken And Sore

I Am A God
I Am A Demon
I'M Not Blessed With A Soul

I Am The Whore Of Babylon
Ten Heads In A Row
I Am A Devil
I Am The One
That Will Tear Out Your Soul

I Am Above
I Am Below
And I'll Clean Out Your Soul.....
Come Cathul
I Can Feel It
Breed
