

Bananafishbones, Talk

She Was Walking Through The Burning City
Spotting Her Chat White Brain Strutting
Her Sex Betrayed With Favourite Lies
It Starts To Rain

Thinking To Herself
I Can Walk Straight On That Line
Not Knowing Where To Go Or What To Do
When She Found Herself Gone
She Found Herself Grinding

Now That Every Single Thought
Of Doubt Is Thought
And All Is Free
Now That Every Thought Of Doubt Is Gone
Hi Daddy Say Hi Hi Daddy

My Precious Little Diamond
Where Did You Find 'em
Was It At The Rockshow
You Shouldn't Go To

A Little Hounddog
Bound To Your Groundlog
Smelling Your Underwear

Into Your Daddy's House
Your Blouse
Tearing My Life Apart
You're The One I Lost My Heart

Blood Rising In The Streets
Inbetween Your High Heels
Vomit And The Wall Is Red
I'm Burning Cause Your Dog Is Dead
Now That Every Single Thought
Of Doubt Is Thought
And All Is Free
Now That Every Thought Of Doubt Is Gone
Down Into The Drain
Now That Every Single Thought
Of Doubt Is Thought
And All Is Free
Now That Every Thought Of Doubt Is Gone
Bring Me To Your Daughter
