

# Bananarama, Last Thing On My Mind

There was something in your voice  
That was telling me don't be too sure  
Arousing my suspicions  
I have never felt before  
I thought we had it made  
I thought you'd never go away

But now you're suddenly like a stranger  
And you're leaving our love behind  
Of all the things I was ever planning for  
This was the last thing on my mind

When I looked into your eyes  
There was something you weren't telling me  
But in my confusion  
I just couldn't see  
If there was any doubt  
I thought that we would work it out

But now you're suddenly like a stranger  
And you're leaving our love behind  
Of all the things I was ever planning for  
This was the last thing on my mind

This was the last thing on my mind

There was something in your voice  
That was telling me don't be too sure  
Arousing my suspicions  
I have never felt before  
I thought we had it made  
I thought you'd never go away

But now you're suddenly like a stranger  
And you're leaving our love behind  
Of all the things I was ever planning for  
This was the last thing on my mind
