Bananarama, Movin' On

You know I'll miss you When you're gone And I can't pretend That I know when Our love started to go wrong

I know we planned to stay together We just ran into stormy weather We couldn't see the dark clouds in the sky

But I had no way of knowing And I don't know where I'm going But I'm movin' on

We talked it over
We've said it all
But who could say
It would be this way
But the writing's on the wall

And now the sun has finally set and This is where the story ends we Didn't count upon a rainy day

But I had no way of knowing And I don't know where I'm going But I'm movin' on

But I had no way of knowing And I don't know where I'm going But I'm movin' on

I'm movin' on

I'm movin' on

I know we planned to stay together We just ran into stormy weather We couldn't see the dark clouds in the sky

But I had no way of knowing And I don't know where I'm going But I'm movin' on

But I had no way of knowing And I don't know where I'm going But I'm movin' on

I'm movin' on

But I had no way of knowing And I don't know where I'm going But I'm movin' on
