

Bananarama, White Train

The white train's running
Running down the track
And when that white train starts chugging
It won't be turning back

The white train's coming
Shaking off the black
The white train is danger
Gotta make a stand

Don't need no money
Don't need no fare
Got a one-way ticket to nowhere
Don't need no money
Don't need no fare
Got a one way ticket to nowhere

On the white train ooh ooh
White train
White train ooh ooh
White train white train

The white train's shining
In the summer sun
The white train brings danger
War to everyone

Don't see no love
There's just no hope
You gotta stand up if you want some
Don't see no love
There's just no hope
You gotta stand up if you want some

On the white train ooh ooh
White train
White train ooh ooh
White train white train

Don't need no money
Don't need no fare
Got a one-way ticket to nowhere
Don't need no money
Don't need no fare
Got a one way ticket to nowhere

On the white train ooh ooh
White train
White train ooh ooh
White train white train
